ICW Racing Team Wins 2005 Mayor's Cup

In record breaking time the ICW team placed first to receive the trophy and blue ribbons from Mayor Joseph Affronti.

The rigorous training program to qualify as a member of the ICW Racing Team starts with candidates at a young age.

Proper equipment is a must to meet the highly competitive nature of the sport. As one can see circa 1992, true to our anthem, one is never too young to learn.

Years later Rob and Jon Tozier represented ICW during the Temple Terrace Riverfest Mayor's Cup Canoe Race on Saturday October 15, 2005. This is an annual event sponsored by the City of Temple Terrace.

Twelve teams from local companies, government and associations met on the starting line at high noon. The course was approximately one mile, a sprint from beginning to end, one of the most daunting forms of competition in the sport of flat water canoe paddling.

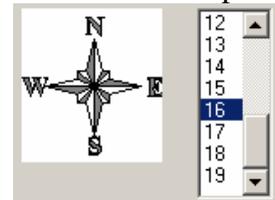

The ICW team will be back next year fully expecting to set a new record for the books.

4th Annual GeoElections User's Conference
